

Veterans of the Battle of the Bulge

70TH ANNIVERSARY COMMEMORATION TOUR

DECEMBER 8-18, 2014

A Personal Message from VBOB President Doug Dillard

Welcome to our VBOB Pilgrimage Tour to Europe commemorating the 70th Anniversary of the Battle of the Bulge.

On our tour, we are proudly following in the footsteps of Generals Eisenhower, Bradley, Patton and Hodges. Commanded by them, we fought hard and were victorious in America's greatest land battle of World War II, the Battle of the Bulge. This led inevitably to German military collapse, victory in Europe, its liberation from Nazism and the founding of NATO. We begin and end our tour in Brussels, HQ of NATO and principal capital of the European Union, as well as being the lively capital city of Belgium. Here we have our Welcome Dinner (I intend to invite the US Ambassador), and our festive Farewell Dinner hosted by the Belgian Army.

We also stay four nights in Spa, Belgium, HQ of General Courtney Hodges and First Army. This beautiful northern Ardennes town is the original "Spa", made fashionable by the Russian Tsar Peter the Great in the 18th century who specially came here for its refreshing, healing mineral water springs. You can try them too. Our 4-Star hotel is in the elegant central square of Spa.

Then we stay three nights in Luxembourg City, HQ of General Omar Bradley and 12th Army Group, and of General George Patton and Third Army. We stay in the very same 4-Star hotel used by General Eisenhower, General Bradley and General Patton. You can see the historic photo of them in the hotel. Luxembourg City is in the southern Ardennes. It is extraordinarily split by a mini-canyon and is one of the most dramatically beautiful capital cities of Europe. For the ladies, it has a pedestrianized center with excellent shopping.

Details of our tour are still being finalized with the various authorities and institutions in Belgium and Luxembourg. But I can assure you that the best people are working on it. Patrick Brion of the Belgian Army, Steve Kayser of the Luxembourg Government, specialist Veterans Tour Operator MilSpec Tours and expert Veterans Tour Director Patrick Hinchy, well known to many VBOB members. So here is our program, bearing in mind that it is still subject to adjustments. What I can definitely confirm now, is that it will be an outstanding and unforgettable tour."

Space on this tour is limited. VBOB members, their companions and families, will get first shot until October 15th. After that available positions on the tour will be open to other interested parties. So act today, complete your registration and get on-board!

Patrick Hinchy is Tour Manager for this special program. Oxford educated, he has spent more than three decades leading military tours in Europe. He has worked with many American Veteran groups gaining a wealth of personal perspectives of WWII combat in Europe. Fluent in English, French and German, he is well known by local officials and history enthusiasts in Europe and has overseen many memorable events commemorating the return of American Veterans to those communities liberated from the Nazis.
