

Scoring sheet for each applicant is suggested— —each applicant is judged by these numbers:
Five (5), Four (4), Three (3), Two (2) with five being the highest rating and two (2) the lowest. Please rate each of these applicants on the following:

- A. Grade Point average/ GPA/ Academics
- B. Evidence of Leadership Abilities
- C. Letters of Recommendation
- D. Evidence of Community/ Church Service

The final selection will be made by each of the scholarship committee members. The mean (average) of the numbers (5,4,3,2,) will be noted by the committee on each applicant. The mean (average) of all applicants with the highest total score will identify the winner of a \$1,000.00 scholarship, to the school of their choice. As we have six applicants, the the winners and two not selected will be notified by the Chair of the Scholarship Committee. Thus, no one member is responsible for identifying the winner or those not receiving an award.

Should any more \$1,000.00 contributions be received in order to name one of the scholarships for a V.B.O.B.member, we can enlarge the number of scholarships from 4 to 6, and each of our applicants will be winners and we will have no non-winners ! How about that !!
